DIPLOMA IN NURSING

International Medical College (IMC) was established in 1993 to train nurses for the Pantai Group of Hospitals. The College, located strategically at Subang Jaya, Selangor and its second centre at Ayer Keroh, Melaka, assumes the responsibility to train and develop a new generation of nurses and allied health professionals. With support of the Pantai - Gleneagles Group of Hospitals, the College has a long standing reputation in providing nursing education, which is well recognised locally and internationally.

STUDY DIPLOMA IN NURSING AT IMC?

- **An Established Nursing College**
  Established since 1993, International Medical College, Malaysia has built for itself a reputation in providing quality nursing education, which is well recognised locally and internationally.

- **100% Pass Rate in Malaysian Nursing Board Examinations**
  Graduates from this College have consistently secured 100% passes in the Malaysian Nursing Board Licensure examinations.

- **Financial Aid**
  Students who join this programme are eligible to apply for the sponsorships from reputable private hospitals, PTPTN loan, FELDA Financial Assistance or SOCSO loan.

- **Prepared to Become Competent Healthcare Professionals**
  With Pantai Hospitals and Gleneagles Hospitals providing clinical exposure for the students, graduates will gain the necessary skills and experience to become competent healthcare professionals.

- **Guaranteed Employment**
  Employment is guaranteed for sponsored students. As International Medical College, Malaysia, is part of IIH Healthcare Bhd, IMC graduates have the opportunity to work in the IIH Group of Hospitals, locally and internationally.

ABOUT THE PROGRAMME

The Diploma in Nursing programme is designed to prepare students to be competent Registered Nurses. This 3-year full-time programme is open to all candidates. The medium of instruction is English. Health, Behavioural and Nursing Science are the core sciences of the programme. Nursing practicals form the integrative strand of the curriculum. Whilst lectures are conducted at the College, students obtain clinical experience at the Pantai - Gleneagles Group of Hospitals and approved Government Hospitals as well as Community Health Centres. The Diploma in Nursing programme is recognised by the Ministry of Health, Ministry of Higher Education and the Nursing Board of Malaysia and is accredited by the Malaysian Qualifications Agency (MQA).

FEES

Total fee for three years is **RM 58,800.00**, which includes tuition fee, accommodation, registration fee, hostel, uniforms and transport for clinical posting every semester.
