An Established Nursing College
Established 20 years ago, Pantai College of Nursing & Health Science has built for itself a reputation in providing quality nursing education, which is well recognised locally and internationally.

100% Pass Rate in Malaysian Nursing Board Examinations
Graduates from this College have consistently secured 100% passes in the Malaysian Nursing Board Licensure examinations.

Financial Aids
Students who join this programme are eligible to apply for sponsorship from reputable private hospitals, PTPTN loan or FELDA Financial Assistance.

Prepared to Become Competent Healthcare Professionals
With Pantai Hospitals and Gleneagles Hospitals providing clinical exposure for the students, graduates will gain the necessary skills and experience to become competent healthcare professionals.

Guaranteed Employment
As IMC is part of IHH Healthcare Sdn Bhd, students have the opportunity to work at IHH Group of Hospitals, locally and internationally. Employment is guaranteed for students sponsored by hospitals.
THE COURSE
The Diploma in Nursing is designed to prepare students to be competent Registered Nurses. This 3-year full-time programme is open to all candidates. The medium of instruction is English. Subjects included in the programmes are Health, Behavioural and Nursing Science. Nursing practicals form the integrative strand of the curriculum. Whilst lectures are conducted at the College, students obtain clinical experience at the Pantai Group of Hospitals and other approved Government Hospitals as well as Healthcare Centres.

The diploma is awarded by International Medical College and is recognised by the Ministry of Health, Ministry of Higher Education and the Nursing Board of Malaysia. The diploma is also accredited by the Malaysian Qualifications Agency (MQA).

FEES
Total fees for three years are RM 52,000. These fees include, registration fees, hostel, uniforms and transport during clinical posting every semester.

FINANCIAL AID
- Scholarships from Pantai Group of Hospitals and other reputable private hospitals
- PTPTN
- EPF withdrawal
- Sponsorships from corporate organisations

ABOUT US
International Medical College was established in 1993 to train nurses for the Pantai Group of Hospitals. The College, located strategically at Subang Jaya, Selangor and its second centre at Ayer Keroh, Melaka, assumes the responsibility to train and develop a new generation of nurses and allied health professionals. With support of the Pantai Group of Hospitals, the College has a long standing reputation in providing nursing education, which is well recognised locally and internationally. In 2012, the College was acquired by IMU Health Sdn Bhd, which also owns International Medical University (MIU), Malaysia's first and most established private medical and healthcare university with over 20 years of dedicated focus in healthcare education. IMU Health Sdn Bhd is one of the key subsidiaries of IHH Healthcare Bhd, one of the largest listed private healthcare providers in the world based on market capitalisation, with a focus on markets in Asia and the Central and East Europe and Middle East and North Africa (CEEMENA) region.
